Preface

It gives me immense pleasure in submitting the Self Study Report of our College to the National Assessment & Accreditation Council (NAAC), Bangalore for accreditation of Cycle 2.

This report is a reflection of the academic and administrative activities happened in the college after the first cycle of accreditation.

Submission of our college SSR is an endeavour which encourages us to examine our strengths, assess our weaknesses and to judge where we stand on the ladder of progress.

After the first cycle of accreditation we have implemented multi - dimensional activities to enhance the standards of the institution. We are trying sincerely to keep the institution in the best place in our area by improving our innate qualities, adopting innovative ideas, implementing new techniques and better understanding of our strengths and weaknesses.

This report is a collective work of all my colleagues. It is difficult to quote the contributions of each and every name of the faculty member of the college. I sincerely appreciate the support of my College Management and the efforts put in by the members of staff in preparing the SSR with dedicated team spirit.

It would be a great delight to hear from you soon on peer team visit to our college.
